Salesforce

Education

2021 – 2025 **B-tech**
Muzaffarpur institute of Technology
Information Technology

Projects

Hostel Management System

- Collaborated in a team to develop a web-based application aimed at streamlining hostel operations and improving student convenience. The system features room allotment, student record management, complaint tracking, and notice sharing. Built with a clean, mobile-responsive interface and role-based access for students and wardens.

Courses

2024/01 – 2024/04 **NPTEL Online Certification**
Programming in Java
